

NOTICE

NEW REGULATIONS REGARDING MUSKELLUNGE AND MUSKELLUNGE HYBRIDS

Effective January 1, 2007

MINIMUM LENGTH OF 40 INCHES AND A DAILY LIMIT OF ONE ON COMMONWEALTH INLAND WATERS.

The PA Fish and Boat Commission has amended 58 Pa. code Chapters 61 and 65 (amending 61.1 and adding 65.16). On final form rulemaking, **The Commission amended 61.1 to provide for a year round open season, a minimum size of 40 inches and a daily limit of 1 on Commonwealth inland waters.**

The Commission also adopted 65.16 to provide for a Musky Enhancement Program that includes a year round open season, a minimum size of 45 inches and a daily limit of one on Enhanced waters.
